FEATURES

All Weather Capable

Equipped with an intelligent cooling and heating system, HYUNDAI's Outdoor Displays are well suited for withstanding any weather conditions from -30°C to +50°C.

Sunlight Readable

HYUNDAI provides special displays which are based on the Optical Bonding for installations in environment with the brightest lighting conditions. Make your messages and images clear and readable under even bright sunlight.

Anti-Vandal Protection

Thanks to a special tempered security glass, HYUNDAI's Outdoor Displays are protected against any vandalism attacks using Anti-Vandal glass bonding technique improving in durability from outside damage.
